

To whom it may concern,

My name is Felipe Esquibel and on 05/09/09, my 2007 Chevrolet Aveo was in a car accident. It hit the back end of a Mazda 2007. This was reported to both insurance companies and to both GM corporations on the exact day of the incident. Two days later I received both claim numbers as followed; claim # for GM is #348897, Gap claim is CG1CHP1771. I spoke with Joe C. at GM; he was the one to give me my GM claim number. He also told me they would get a hold of me (no exact time or date). I did give them a respectable two week (or 10 business days) to give me a call back, when I received no response I called 20+ times within a year to a year and a half period to try and resolve the issue at hand. Please help me with this, a vehicle douse fall under a necessity category for me as I am handicapped and walk with the assistance of a walker. It is extremely difficult for me to get around without my own transportation. I will also send you a copy of all the documentation about this claim that I currently posses, and within those document I believe you will find the reason why I am still pursuing this and why I think this claim should be added when brought to the Honorable Robert E. Gerber (United States Bankruptcy Judge).

Thank you for your time,

Mr. Esquibel
